

Throw It Down

Lyrics: Erin Martin

Music: Erin & Andrew Martin

Verse 1:

If I can hold it in my hands
If I can see it with my eyes
It was made by You
For Your purpose
So many possibilities
What God could do if I believed
He can use anything
To heal a heart
To set his people free

Pre-Chorus:

Why do I take Your word for granted and concede
To a life lived with limits and mediocrity

Chorus:

I want the very same power
Moses used to part the sea
Jesus called upon
For Heaven's victory
Lord, help me see every opportunity
To use the tools You've put before me
God of miracles reveal Your glory

Verse 2:

If it is resting on the earth
If it is hanging in the sky
It was made by You
For Your purpose
So many possibilities
What God could do if I believed
He can use anything
To heal a heart
To set his people free

Pre-Chorus

Chorus

Bridge:

(Throw it down, throw it down)

Let Your staff become the snake

(Throw it down, throw it down)

Let God provide the way

(Throw it down, throw it down)

Lord, I can hear you say

I Am Who I say I Am

I Am Who I say I Am

Who do you say I am?

Chorus

Outro:

Throw it down

Throw it down

Throw it down

(Oh you of little faith)

Throw it down

(Think of the possibilities)

Throw it down

(If you would just believe, just believe)

Throw it down

(Throw it down, Throw it down)

Throw it down
